

NOTICE TO RESIDENTS EAGLE SHADOW SUBDIVISION

**DURING SEPTEMBER 2016 – OCTOBER 2016,
PDC ENERGY, INC., WILL BE WORKING ON OIL
AND GAS WELLS IN THE FOLLOWING AREAS:**

- **Empty Lot:** 6145 Eagle Shadow Ave
- **Empty Lot:** 6738 Eagle Shadow Ave
- **Empty Lot:** 7199 E. 163rd Ave
- **Empty Lot:** 7015 E. 162nd Ave
- **Empty Lot:** 6004 E. 162nd Ave

All work on these wells will be performed in full compliance with the laws and requirements of the State of Colorado in a manner that protects the environment, health and welfare of this neighborhood. This project will require the use of specialized equipment; in order to ensure public safety, a temporary chain link fence will be installed around these locations. There will be some traffic and equipment moves during this brief time period to permanently close off these wells. For questions regarding this project, please contact:

PDC ENERGY, INC.

At PDC Energy, community matters.

PDC employees are active Colorado citizens who are dedicated to safe and environmentally conscious oil and natural gas development. Through volunteer hours and financial contributions, we proudly support non-profit and civic organizations in many northern Colorado communities. Our efforts are focused on providing meaningful and valuable contributions to the communities in which our employees live, raise their families, and work every day.

For more information about our community outreach programs, please contact us at community@pdce.com.
